

## Color Packs for Concrete Overlays

Durável Overlay Color Packs are formulated for use in any Durável overlay bag mix or repair mortar. Pure iron oxide pigments permanently color the overlay for a range of design applications. Overlay Color Packs are conveniently packaged in pre-measured ready-to-use sacks for consistent color results across the entire project. Simply add the contents of one Overlay Color Pack while mixing the overlay.

### Product Advantages:

- **Pre-measured Color for Overlays**
- **Consistent Color Results**
- **UV-Stable iron oxides**
- **Dry Pigment = No Mess**

Pre-Measured 8 ounce Sacks

Add one Overlay Color Pack to One Bag Overlay

Select From 25 Designer Colors

### Shelf Life:

Generally one year from date of manufacture in original, unopened packaging stored at room temperature. Shelf life may be extended with reasonable care and protection during storage.

### Directions for Use:

### Coverage:

Add the contents of one Overlay Color Pack per bag of overlay mix.

### Mixing Instructions:

Follow mixing instructions of the selected Durável bag mix. In the mixing pail, add the pre-measured water for the particular application. Pour the entire contents of the Overlay Color Pack sack into the mixing water and blend thoroughly. Add the entire contents of the Durável bag to the blended water and mix until evenly distributed. When mixing multiple batches, always add full color pack to each mix to maintain a consistent surface color. Mixing of partial bags will most likely result in an inconsistent color.

### Clean Up:

Clean tools and mixing vessels with water. Capture runoff as necessary to protect downstream surfaces.

**FOR PROFESSIONAL USE ONLY**

**CONCRETE BAG MIXES**
