

Chemical Concrete Removal Tool

Durável Concrete Eraser™ is a 100% biodegradable chemical concrete removal tool that reverses the bond of cement and returns concrete back into a loose slurry that is easily rinsed away. Concrete Eraser™ is non-corrosive, non-combustible, and will not harm human skin. Use it to erase concrete from vehicle paint, mixing drums, tools, finishing machines, and other surfaces. Loosened concrete remnants can be safely washed away with no harm to the environment.

Typical Uses:

- Clean mixing trucks and chutes
- Remove concrete splash
- Restore hand tools
- Unclog pump lines and drains

Product Advantages:

- Non-corrosive, no acids
- Safe for use on most paints
- Vertical and horizontal use
- Environmentally safe

Dwell Time:

Approximately 5 minutes

Application Temperature:

Above Freezing to 90° F

VOC:

Less than 10 g/L

Packaging:

1 Gallon Jugs
5 Gallon Pails

Coverage:

Use direct from container, do not dilute. Spray coverage varies with texture and thickness of concrete to be removed.

Storage:

Keep out of reach of children and animals. Keep container tightly closed in a dry and well-ventilated place. Open containers must be carefully closed/ resealed and kept upright to prevent leakage. Do not mix with strong oxidizing agents. Store locked up.

FOR PROFESSIONAL USE ONLY

Technical Data Sheet

Directions for Use:

Mixing Instructions:

Stir or gently shake before use.

Application Instructions:

Do not dilute product. Do not apply to wet substrates. Apply liberally by pump sprayer or trigger sprayer to saturate concrete to be removed. Avoid excessive build up. On rough surfaces agitate the applied product with a soft brush. Results will appear after about five minutes. Rinse clean with cold water; to avoid scratching do not wipe or brush residues over painted surfaces. Repeat as needed. Deposits on small tools can be easily removed by soaking in a tub of product then rinse clean.

Always test results in an inconspicuous area to verify desired results. Protect adjacent surfaces as needed.

Clean Up:

Clean up with warm water and soap.

Disposal:

Dispose of contents and container in accordance with local regulations.

Shelf Life:

Up to one year from original manufacture date when stored in its original, unopened container at room temperature. May be extended with reasonable care.

Limitations:

This product is not intended for public use and is intended for use by qualified contractors and installers with proper experience and training in the use of these products, and that have read the complete safety data sheet. Apply product only when substrate and ambient temperatures are within the accepted range.

Warranty:

IMPORTANT!

Before using any Durável product, read and understand its accompanying Safety Data Sheet & Application Instructions for important safety information.
